ACAS's Advisory Booklet - Tackling Discrimination and Promoting Equality - A Good Practice Guide for Employers - has been updated.

It discusses good practice rather than just the relevant law, and covers the whole employment relationship including:

- recruitment and selection;
- discipline and grievances;
- equal pay;
- monitoring;
- equality training; and
- bullying and harassment.

It also provides a sample equality policy and a checklist on how to strike a work life balance.

It can be obtained from www.acas.gov.uk
