Late last Friday afternoon the DTI published its updated guide to unfair dismissal.

It is a well written and clear guide on many of the legal principles applicable to unfair dismissal and is well worth being aware of if ever faced with a potential unfair dismissal situation.

It can be found at:

<http://www.dti.gov.uk/er/individual/unfair-pl712.htm>

This update is for guidance purposes only and should not be regarded as a substitute for taking specific legal advice from your usual Metcalfes' contact.
