The short, but useful ACAS guides on the law relating to bullying and harassment, together with suggestions for bringing and avoiding claims, have been updated. One is for employees and the other for employers. They can be found at

Employee's guide - <http://www.acas.org.uk/publications/AL05.html>

Employer's guide - <http://www.acas.org.uk/publications/AL04.html>

and are well worth looking at.

This update is for guidance purposes only and should not be regarded as a substitute for taking specific legal advice from your usual Metcalfes' contact.
