The Chartered Institute of Personnel and Development has published a new guide on employing people with a criminal record. It covers the job application process, recruitment, interviewing and post-application processes. It is divided into two parts:

- part 1 deals with the relevant legislation; and
- part 2 gives guidance on how to set up fair and reasonable policies and practices based on a full assessment of the risks involved.

It can be downloaded from the CIDP website: www.cidp.co.uk.

10th September 2004

Metcalfes will be exhibiting at the above - a must attend event if you own or manage a business.
